

C2

Design : Herman Studio

ANDERSEN  
TIMELESS SINCE 1916

## PURE JOY

The C2 is an innovative series of solid oak tables with a touch of classic elements in terms of shape and materials.

Choose between four different sizes and/or combine them in a set. The C2 is available in two different heights and can therefore be used as nesting tables.

The quality craftsmanship and subtle details of the C2 makes it an attractive addition to any living room. Pure joy.

Ø50 x H43,5 cm  
Ø80 x H47,5 cm  
43x43 x H43,5 cm
